Our plan to improve the lives of people with ME/CFS (easy read)

Summary

The government has written a plan to support people who live with myalgic encephalomyelitis/chronic fatigue syndrome (ME/CFS). This consultation closes at 11:59pm on 30 October 2023.

Consultation description

We would like to know what you think of our plan. This will help us know if our plan includes the most important things for people with ME/CFS and how to make our plan better in the future.

Follow the 'Respond online' link in the 'Ways to respond' box below to tell us your ideas.

Or you can print and post this document with your answers to:

ME/CFS interim delivery plan
