

Dear NICE

In view of the further evidence being obtained in respect of this guideline in development and further analysis consequent on same, we consider it appropriate that there should be a further opportunity for stakeholders to comment on any revisions to the draft guideline that may result. We are therefore requesting that a draft be circulated for comment should changes result from this further consideration of evidence.

This request is being lodged on behalf of the following eight stakeholder organisations:

The 25% ME Group [enquiry@25megroup.org](mailto:enquiry@25megroup.org)  
Blue Ribbon for the Awareness of ME (BRAME) [brameinfo@yahoo.co.uk](mailto:brameinfo@yahoo.co.uk)
